

## About us

Osugi Musical Theatre (OMT) was founded in 1995 to present original musicals in the community and beyond. Harmony is what we aim for, not only in our music but within our theatre family, our community, and beyond.

## Community musicals

Children and adults act in our shows, which are based on Japanese folklore, history, and theatre (particularly comic kyogen theatre). Our cast size ranges from 5 to 30, with a core staff of 10. All of our cast and staff are volunteers. As of Nov. 2011 we have done 298 performances.

## School musicals

OMT school shows are produced and directed by OMT staff and put on by schoolchildren in schools or public venues. Since 1998 we have produced more than 20 school shows. Most are in Japanese, with some in English.

## Concerts

We also perform concerts featuring songs and scenes from our musicals.
